Bids Asked For L-5 To Complete Encirclement Of Agricultural Area

Congressman Paul G. Rogers announced from Washington today that he had been advised by the Corps of Engineers, U. S. Army, through their district office in Jacksonville, Fla., that bids will be opened in the Jacksonville office of the Engineers on or about March 14, 1956, for construction of Levee 5 of the Central and Southern Florida Flood Control Project.

The project to be constructed is a double levee of approximately 14.7 miles in length and includes estimated excavation of 1,430,000 cubic yards. The work site is located along and just south of the Broward-Palm Beach County line, except at the east end where it connects just inside Palm Beach County before crossing the line west of the site's intersection with U. S. Highway 1.

The contractor receiving the contract will be required to complete the entire work later than 490 days after the awarding of the contract.

Congressman Rogers stated that he was pleased to receive this announcement from the Engineers as it is a continuation of the very important flood project within the Central and Southern Florida Flood Control District, Levees 4, 5, 6, 7, and 8 with their complementary canals, will form the south and east boundary of the agricultural area. They will prevent flood waters from the adjacent areas and hurricane-driven waves from the conservation areas from spilling into the Glades agricultural area, an Engineer spokesman said.

Memory Lesson Is Presented To Lions Club Here Wednesday

Quinton G. Minor, instructor from the Dale Carnegie Institute, from Delray Beach, was guest speaker at the Belle Glade Lions Club luncheon meeting Wednesday at the Municipal Country Club.

Smathers To Seek 2nd Senate Term

This week Senator George A. Smathers announced that he would file for re-election to the United States Senate. Smathers is currently serving his tenth year in Congress, having served two terms in the House of Representatives representing the Fourth District.

In announcing his candidacy, Smathers said, "The years I have served in the House of Representatives and the Senate have now placed me in a position with the leadership where I believe I can serve with ever-increasing effectiveness our state and our nation. It is on that record of service in the past and service in the future that I seek re-election."

The junior senator is a member of the powerful Senate Finance Committee. He is also a member of the Interstate and Foreign Commerce Committee and chairman of its subcommittee on surface transportation.

B.G.F.D. Fights Minor Blazes Over Weekend

Four small fires were tended by the Belle Glade Fire Department over the weekend, none of which did much damage to property involved.

Friday a faulty kerosene stove caused a small fire at 312 SW 5th St. in the residence of Dee Humphrey; however, the blaze was nearly extinguished when firemen arrived. L. L. Muttack owned the property.

Shortly after the above fire a leaking gas line caused an auto to catch fire at the Rambler teen center on W. Lake Rd. Damage to the auto driven by Mrs. Geneva Cross, 1433 NW Ave. 7, was slight, firemen said.

Saturday at 3:20 a fire in a clothes trunk caught fire and destroyed a nearby mattress at 610 B. Place, Room 3. Ernest Roberts was the occupant; James Oliver, the owner.

At 4:40 Saturday another kerosene stove caused a small fire at 637 Ave. B in the residence of Elizabeth Howard. Damage to the property owned by Mrs. M. C. Eggleston was estimated by the firemen.

A small fire broke windows, damaged paint and burned a sofa bed Saturday evening at the home of John White in Chosen Piteman put out the blaze before major damage occurred. Estimates of the damages ranged up to \$200.

County Commission Gives Glades Roads' Repair Favorable Action

Palm Beach County's Everglades section figured as the focal point for county road work this week with several road projects in the offing that will provide a number of important links in the county's road network.

Of major importance to the county according to County Commission Chairman Paul Rardin, Rardin said would open up a vast new farming area, the county commission Monday authorized an expenditure of \$5,000 to the Central and South Florida Flood Control for extension of culverts on Miami Canal.

Russell O. Morrow Seeks Re-election To Circuit Bench

Judge Russell O. Morrow, of Lake Worth, announced today that he will be a candidate for election to the office he now holds as judge of the Fifteenth Judicial Circuit of the state of Florida and for Palm Beach County.

In making the announcement Morrow said, "It will be my purpose to continue to serve the people of this Circuit in a fair and conscientious manner and to handle the litigation that comes before the court as expeditiously as justice will permit."

Morrow has been a resident of this Circuit for the past 27 years, having resided in Lake Worth and attended public schools there. He is a graduate of Washington and Lee University, with a Bachelor of Arts and Bachelor of Law degree.

He has practiced law in this Circuit for 23 years prior to going on the Circuit bench. He is a past president of the County Bar Association and a member of the state and national Bar Association.

Morrow has served as state representative in the 15th district, and as a state representative and state senator from Palm Beach County and a World War II aviator in the Navy. He is now a commander in the Naval Reserve.

Morrow is also a member of the American Legion, VFW, Elks Lodge, and the Presbyterian Church.

Levee 25 Bids Are Opened Feb. 14

Bids for the construction of Levee 25, Central and Southern Florida Flood Control project, were opened Feb. 14 at the Jacksonville district office, U. S. Army Corps of Engineers.

Robert E. Lee & Company, Inc., of Miami, S. C., was the apparent low bidder with a bid of \$488,615.

Work consists of the 6.1 miles of Miami Canal south from Lake Okeechobee in Palm Beach County, U. S. Highway 27 bridge in Lake Harbor and extending southward to Bolles Canal.

The canal will be enlarged from Bolles Canal to Lake Okeechobee. Adjacent levee embankments along Miami Canal will be provided.

Six culverts for the lateral water exchange through levee embankment will be installed to the west levee of sufficient length so that the county may at a later date construct a road from excess materials excavated from the canal. One year has been allowed for actual construction of the levee.

When completed, Levee 25 borrow pit will provide the feeder for the Pumping Station 3, now being constructed. Pumping Station 3, scheduled for completion in 1957, is located on the Miami Canal at the Lake Okeechobee levee.

Flood protection and water control for the adjacent Glades County lands will also be afforded by the construction of Levee 25.

Fair Assn. Votes No Fair This Year

The board of the Everglades Fair Association met Friday night and voted not to hold this year due to an apparent lack of interest among civic clubs and organizations.

There were just enough members present to make a quorum Friday when the decision was reached.

Earlier this year and last held these same organizations pledged their support for the annual fair, but that was not enough to secure the necessary majority.

At that time it was felt that the fair had outgrown management by its small group and a new board of directors was composed of at least one representative from each civic organization here.

Only a handful of board members have attended the last few meetings as several have dropped to almost nothing. As each meeting never resulted in much more than a quorum, members apparently became discouraged.

The board had been tentatively set for the early part of April; however much work remained to be done and few stepped forward to do that work.

Board member Mr. Ross Nash summed up the situation with the board's decision.

"How can you expect the civic organizations to have any enthusiasm for a fair which is not being held?"

Liquor Store Bid Stopped By Council For Investigation

The paramount issue of the city council meeting Wednesday was an application from J. G. Hopkins to operate a drive-in alcoholic beverage store at 332 SE Ave.

City ordinances provide that a request for the sale of alcoholic beverages is issued when zoning an area is necessary, and when a church or school is located within 1,000 feet of the proposed establishment, a petition must be circulated to obtain 80% of the landowners within the 1,000 foot radius.

Hopkins submitted the petition which the clerk and city attorney said was bona fide, and it contained 80.1% of the landowners.

A cross petition from the church was presented by Rev. J. M. Graham containing approximately 39 names. The church is located within 1,000 feet of the application.

Numerous persons presented themselves to the council seeking to disqualify certain names, request that certain names be taken off, or protest the granting of the application in one form or another.

Hopkins' attorney, Sam Phillips, defended the petition against several accusations of fraud which were disproved.

Two more petitions were presented requesting that names be removed from the petition.

Telephone Dialing Changes March 4

A new Belle Glade-Pahokee Telephone Directory is being delivered within the next few days, according to E. F. Reddy, District Manager for the Southern Bell Telephone Company.

In it, all Belle Glade-Pahokee numbers will appear with the new prefix "WYman" and the figure "8". These new numbers are not to be used until the change-over to the new two-five numbering system on Sunday, March 4.

Subscribers are cautioned to continue using the old gray-covered book until that day and then destroy it and use only the new green-covered directory. Complete dialing instructions will be found in the new directory.

Mr. Reddy advises that anyone who has not received his new book by the time of the change-over should call the telephone number on all local calls.

Mr. Reddy again reminds us that after Sunday, March 4, we are to dial WY-4 and the remaining four numerals of the telephone number on all local calls.

Also, that the code number to call Pahokee from Belle Glade will then be changed to "4".

The code number "8" used by Pahokee subscribers calling Belle Glade will not be changed.

Midjet Tourney Ends In Our Tilt Today

Marvin Smith Is General Manager Of WSWN Under Rivers Ownership

E. D. Rivers, Jr., chairman of the board of the Seminole Broadcasting Company, recently announced the appointment of Marvin Smith, former sales manager, as manager of radio station WSWN here.

Rivers also released the names of other key personnel of the station. He purchased the 1,000 watt daytime station last June. Smith first joined the station over five years ago when the station was owned by Tom Watson, Jr. Prior to the joining the WSWN staff he worked with stations in Leesburg, Daytona Beach and Lakeland as salesman and announcer.

Smith, a 1949 graduate of the University of Florida College of Arts and Sciences, is a native of Williston, Fla. He served three years with the Army, during World War II, two and a half years in the South Pacific Theater.

Smith married the former Charline Carson of Williston and has two sons, Ned and Jeff. C. S. "Curley" Clemans has been chief engineer since he built the station in 1947. Clemans has 20 years of radio experience and has built radio stations from start to finish. He built WJLA in Ft. Pierce.

He did radar work for the Navy in World War II and came to Florida in 1948. Clemans, a native of Clarkburg, W. Va., and his wife reside in Belle Glade.

Program Director E. C.

owned by E. D. Rivers, Jr., son of the former Georgia governor, Ed Rivers. Rivers, Jr., owns WEAS, Atlanta; WGOV, Valdosta; and WTVJ, Savannah, Ga., as well as KWEM, Memphis, Tenn.

A Spray In Time Saves Backyard Fruit Trees

Don't be skeptical about planting a backyard orchard because of lack of space or nightmare visions of bugs and diseases. With smart planning and a few pruning kinks, you can grow healthy, delicious fruit against bare walls, fences, and those odd corners you've been wanting to put to use.

Announcer-engineer Al Harris, a native of Pigott, Ark., served four years with the Army Medical Corps; attended radio and TV training schools in Memphis, Tenn., and was employed two years with KWEM, Memphis, another Rivers station, before being transferred to WSWN in September of 1955.

Bill Mathis, a resident of Belle Glade since 1938, has announced and done remote controlled broadcasts for WSWN periodically since it was established.

In addition to his broadcasting duties Bill is Assistant Identification Officer with the Belle Glade police.

Traffic Director for the station is 19-year-old Audrey Meade, a native of Canal Point. Miss Meade has done professional modeling and has been a water skier at Cypress Gardens.

She is a graduate of Pahokee High School, Ed Iles Business College in West Palm Beach, and is a member of the BFW and Conillon Club here.

NATIONAL GUARD NEWS

The second and final week-end training period of the year for officers and men of the local National Guard unit, Company E, will take place Mar. 3-4. Those men assigned to crew served weapons, such as machine guns, automatic rifles, 57 mm mortars, will prepare for firing and qualification on Saturday, beginning at 1 o'clock.

Other men of the company will have classes on certain military subjects. Sunday classes for some continue while the crew weapon squads go to the firing range.

All units except mortar squads will fire their weapons while the mortar squads receive crew drill training.

The weapons squads will leave early Sunday to arrive at the firing range before 8 a.m. One meal will be served at the range for these men.

Training for men at the range and those trainings here should end about 5 p.m. Sunday.

Commanding officer 2d Lt. Warren H. Howell said this week that all young men who have not investigated the advantages of training at home in

the National Guard should do so at their earliest opportunity. Headquarters for the unit is located at 125 SE Ave. D in Belle Glade.

Garden Study Club Program By Juniors

The Garden Study Club met at the home of Mrs. Louis Kinchman last Friday morning, with Mrs. Luther Jones in charge of the program.

Mrs. Jones introduced Junior Garden Club members, Barbara Stone, Barbara Wolf, Francie Ball, Kenneth Royston and Wayne Wood, who displayed lovely flower arrangements and dish gardens. They also explained treatment of soil for planting seeds and explained the making of Christmas corsages.

Mrs. R. Y. Creech, Jr., and Mrs. J. E. Jones displayed flower arrangements for a new baby.

Announcement was made of the Junior Garden Study Flower Show, which will be held Monday, April 2, at the High School auditorium, and of plans by the Garden Study Club for a coffee and plant sale to be held in May.

Mrs. Robert Abel was named treasurer, pro tem, in the absence of Mrs. Barnes Creech.

A nominating committee, composed of Mrs. Howard Payne, Mrs. Luther Jones and Mrs. Edie Jones, were appointed.

The group voted to pay transportation, hotel and registration fees for the president, Mrs. A. F. Hopson, to attend the State Convention of Garden Clubs in Tallahassee, Mar. 20-22.

Woman's Club Hears Musical Program

The Belle Glade High School Glee Club, under the direction of Miss Marian Najarian, presented the program at the Woman's Club last Wednesday afternoon.

The Glee Club and mixed chorus presented several numbers. Miss Molly Forsee sang a solo, accompanied by Jean Crewes and J. C. Womack.

The Girls Chorus sang the 23rd Psalm for the devotional and Ouida Lanier and Alma Ann McClure played piano solos.

Announcement was made that the board of control of the club and the Garden Club had met and decided to purchase new silverware for the kitchen; and

Legion Auxiliary Hears State Head

The American Legion Auxiliary met Monday night at the Legion Hall with Auxiliary members from South Bay and Pahokee.

Mrs. Ruth Pentz presided at the meeting and introduced Miss Grace Fallace, 8th District President. Miss Fallace introduced the Department of Florida President, Mrs. Emma Adams of Orlando.

Mrs. Adams gave an interesting talk to the group. Her topic was "Love and Fellowship With Our Fellow Man." She spoke about the program of the Auxiliary and stressed the rehabilitation work that the Auxiliary does with the money made from the sale of poppies. The local Auxiliary will have Pappy Day March 31.

Pappy corsages were presented to the unit presidents and to the visiting guests. The corsages and table decorations were made by Mrs. Mary Riley.

A social hour followed the meeting. Games were played, with prizes going to Mrs. Evelyn Rhymes and Mrs. Mary Stamps.

Hostesses for the evening were Mrs. Geraldine Kelly, Mrs. Sylvia Jones, Mrs. Mary Riley, Mrs. Colleen Motes and Mrs. Ruth Pentz.

BPWC Initiates 36 New Members

An impressive candle lighting ceremony marked the initiation of 36 new members of the Belle Glade Business and Professional Women's Club Tuesday evening at the Municipal Council Club.

The total membership of the club, including the new members, is 51, one over the goal set by the club in its membership drive in charge of Miss Sara Lee Creech, chairman.

Members taking part in the initiation ceremony were Uecba Caruthers, club president; Sara Lee Creech, past president; Imogene Fontaine, past president; Gene Cross, past president; and Audrey Jones, past president.

The candle lighting ceremony centered around a beautifully decorated cake in club colors of green and gold, encircled with white and green candles with sprigs of white baby's breath flowers entwined. A large white candle represented the Federation. Each member pledged their allegiance by lighting a candle.

Miss Creech, program chairman for the evening, introduced the president, Mrs. Caruthers, who welcomed the group, and also presented the guest speaker of the evening, Miss Elsie Lanier, teacher of related English to boys in the vocational high school, West Palm Beach.

Miss Lanier gave a very interesting book review on the lives of two pioneer women, Narcissa Whitman and Maria Mitchell.

A social hour was enjoyed and cake and punch were served. The following new members were initiated: Ruth Wedgewood, first president of B.G. Club; Mary Leonard, Past Club President, 9th.

The following members held office during early years of club: Helen Browning, Gladys McDonald, Vera Mathewson, Gladys Williams, Rosalee Collins, Terry Roman, and Maribelle Rawls, former member of Pahokee Club. New members: Kathleen Liv-

State Growth Seen In FP&L Expansion

An indication that fast-growing Florida is expected to grow even faster, was revealed by McGraw-Hill, board chairman of Florida Power & Light Company, by the announcement that the utility is raising its sights on its expansion outlook to the tune of \$25 million.

At the beginning of 1952, it was announced a \$32 million, 10-year expansion program. It was hailed as the largest ever undertaken by a Florida corporation but was viewed by some as possibly over optimistic.

In the Fall of 1954, it became apparent that its rate of spending would have to be increased and the program was upped \$10 million. This week another \$25 million boost was announced for the remaining six years of the program, bringing it to a total of \$45 million.

Don't be afraid of the dark, but have a healthy respect for it, the AAA advised. You can't see as well to drive when it's dark, so take it easy when the sun goes down. Be able to stop within the range of your headlights. Otherwise you're heading for trouble. Slow down at sundown.

The time between daylight and darkness is the most dangerous time for pedestrians, according to the AAA. When you are alone, walk with care. Use the crosswalks; never cross the street in the middle of the block. And wear something white at night—it lends your chance of being struck down by an automobile whose driver may be blinded by approaching headlights.

The best way for a man to train up a child in the way he should go is to travel that way himself.—(Anonymous)

South Bay Man Wins Boat At Barbecue

The 14-ft. Carter Craft boat being raffled by the South Bay American Legion following their barbecue dinner Wednesday was won by J. S. Haven of South Bay.

The drawing had sold about 2,500 tickets to people all over south Florida.

Over \$300 was taken in from the dinner which was served by the Legion Auxiliary and Legionnaires of Post 161 there. It was estimated that between five and six hundred people attended the dinner which was planned to augment the building fund of the Legion.

The officers of the post wish to thank everyone who helped make the evening a big success.

Police Stumped On Barlow's Slugging

Police here are stumped temporarily for clues in the slugging of R. K. Barlow, 55, local merchant, who was struck on the head with a bumper jack Sunday at 12:30 p.m. while he was in his store.

Barlow was taken to Belle Glade Memorial Hospital and released the next day. When questioned by police after the assault, Barlow said he knew nothing about how he was struck. A bumper jack was found nearby when he was found unconscious on the floor of his store.

Police Chief Charles Goodlett said he was investigating, but that the amount was probably closer to \$200. The neighborhood around 5th St. and Ave. A was canvassed for possible witnesses with negative results.

Goodlett said, "He hasn't got us anything." There are no suspects, nothing to go on, he explained. Investigation will continue, the chief said.

As the investigation is being conducted by R. V. Clark and Constable Buford Prescott.

Lee Lindley, 67, treasurer and member of the board of the Lindley Lumber Company of Hollywood, died Feb. 18 and was buried Tuesday, Feb. 21.

All Lindley Lumber Companies throughout the local yard were closed that day.

Attending the funeral as representatives of the company were J. A. White, manager, and J. T. H. Rowland, yard manager.

Revenue Service Offers Assistance When Needed

Use of the telephone early in the filing period to obtain tax information was suggested this week by District Director Laurence W. Tompkinson of the Internal Bureau of Revenue to taxpayers who find themselves with one or two problems in preparing their 1955 federal income tax returns.

The telephone number to be called by taxpayers of this area is Temple 5-6689, the West Palm Beach field office.

"Most taxpayers," Mr. Tompkinson said, "should be able to complete preparation of their own returns with careful study of the tax forms and accompanying instruction booklet. In those instances, however, where interpretation of regulations if complicated by special conditions, the district office will gladly provide assistance," he said.

The 1955 edition of "Your Federal Income Tax" is being issued in a new and larger format, to assist taxpayers in filing their individual income tax returns.

A new feature of this year's

edition is the illustrated series of completed tax return forms filled in by a fictitious taxpayer with accompanying explanations of the information given on the return by this taxpayer. The booklet may be obtained by writing the Miami Field Office of the Department of Commerce, Room 316, Post Office Building, 300 NE 1st Ave., Miami, Fla. Enclose 25¢ with your order.

Shoplifter Fined Here

Walter Thomas, 48, of Panama City, Fla., was fined \$50 or 30 days in Municipal Court this week when he was found guilty of a shoplifting charge.

Thomas was charged with petty larceny after he allegedly took groceries from Royal's grocery Mar. 15.

Police Chief Charles Goodlett said this was the first shoplifting case of the year and that the man's name would be filed in a special Orlando clearing house for convicted or suspected shoplifters in the state in compliance with existing state laws.

Modern science and technology have made it possible for each farm worker to produce more efficiently than ever before.

Florida's Economy Shows Year Round Tendency Stronger

Florida's economy in recent years has shown a lessening of seasonal trends and strengthening of year-round forces. Last year, with summer business activity only 7.9 per cent below winter business, points up this leveling.

Nature smiles broader on Florida in winter than summer for it is then, principally, that the state's mammoth citrus and vegetable crops hit the road to processing plants and to out-of-state markets. Concurrent with this activity is the traditional winter tourism, further accelerating business activity.

Summer months (May through October in this instance) are accentuated by increasing tourism and construction, in addition to year-round manufacturing.

The narrowing trend, although not constant, is definitely indicated by winter-summer bank debit totals. Prior to World

War II, the seasonal variation was as much as 25 per cent, dropping to a low of 5 per cent during war years. In 1948 it stood at 11 per cent, at 7 per cent in 1950, at 9 per cent in 1952 and at 11 per cent again in 1954, the Florida State Chamber of Commerce reported yesterday.

Each of the six Florida cities for which bank debits are available showed this leveling of seasonal business last year as

IN peace and war, your local NATIONAL GUARD unit stands ready to serve. KEEP YOUR GUN UP!

compared with 1954. The percentage differences in winter and summer business in 1955 are listed in this week's business review of the State Chamber's research and industrial division. Pensacola stood in first place with less than one per cent. Jacksonville ranked second with 1.8 per cent.

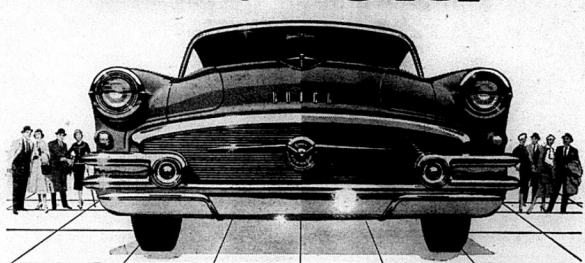

Tampa's variation was 9.1 per cent; Greater Miami had 9.6 per cent; Orlando 12.4 per cent and St. Petersburg 13.9 per cent.

Two Tons Big
(It's the Buick SPECIAL—and you really ought to try it!)

THIS is the one that's going to town in a BIG way. And you'll know what we mean when you take its measure—by any yardstick you choose.

By the pound and inch, it's the biggest bundle of high-powered action and high-fashion luxury ever offered in Buick's lowest-priced Series.

By the dollar sign, it's a value so big that Buick outsells every other car in America except two of the well-known smaller ones.

But not till you've put this 1956 Buick SPECIAL to the road can you know what a big-time performer it really is.

You'll know it by the instant response and purring might of a 322-cubic-inch V8 engine that's been lofted to new peaks of power and compression.

You'll know it by the flash-away action of a new Variable Pitch Dynaflo* that steps up getaway and gas mileage in normal situations—and zooms to full-power

acceleration for a needed safety-surge when you floor the pedal and switch the pitch.

You'll know it by your complete mastery of a big car that handles like a dream—steers like a wish—and rides like a cloud in the breeze.

BIG—that's the word for this Buick SPECIAL...

BIG—coming, going, or standing still...

BIG—in its stretch-out roominess—in its sweeping beauty—in its solid steadiness...

BIG, most of all, in the way it makes your money talk... Come in—soon—and let this Buick speak for itself. We think you'll find it sweet listening.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Assembly

A regular assembly was called Thursday, Feb. 16, by Principal Frank Hobson. Student Council Chaplain, Faye Herring, led the devotional services and Kay Young introduced the guest speaker, Barbara Curtis, from West Palm Beach. Miss Curtis was the only Florida delegate to the United Nations Assembly last year, and she told the students about her very interesting trip. She visited Washington, D. C., New York, where her group was in the midst of an air raid; they visited Gettysburg, Boston, where they saw

Paul Revere's house, the old North Church, then went on to see Plymouth Rock, and many other interesting sights. Miss Curtis was the trip through an easy contest, which was also entered by some Belle Glade High students. Miss Curtis also did a twirling act. She is so to twirler for the Palm Beach High School band.

Mr. Hobson explained to the boys a new military plan whereby one can spend six months active duty and seven months in reserve. He also introduced Mrs. Sarah Diggs, a former teacher, here, but who retired last year, and is here now on a visit.

Mrs. E. F. Mixson, conducted a question and answer forum on the Rambler and a prospective new teen-center, as previously stated in last week's Herald.

Lois James, Senior Class President, recommended to the student body, what the Senior Class voted to do, that an Honor System be installed in the school. He stated that an Honor Committee made up of seniors, would visit all the classes and explain what the system is and how it works. He said that if 51% of the student body

would back it, that the Honor System would go in.

Glee Club Hi Lights

A part of the high school Glee Club sang for the Women's Club last Wednesday afternoon, Feb. 15.

Their numbers were as follows: "Now is the Month of Maying," by the Madrigal Group; "We Sing Thy Praise," and "Twenty-Third Psalm," by the Girls Chorus; "Water Boy," a bass solo, by J. C. Womack; Chopin's "Polonaise" (Military), a piano solo, by Alma Ann McClure; Chopin's "Soprano Etude," a piano solo by Glenda Dell; Chopin's "Minute Waltz," and "Dixie Fingers," both piano solos, by Ouida Lanier; and "Mighty Like a Rose," by the Girls Trio, which includes Alma Ann McClure, Jo Margaret Parson, and Glenda Dell.

Miss Marian Nolin directed the group.

4-H News

There was a 4-H meeting on Thursday, Feb. 16, in the Home Economics room at the high school. The girls who went to Tampa told the others about their trip. They were Judy Cato, Rosa Reid, and Margaret Ir-

vin. The girls were given pointers on modeling the dresses they will make in the Daughters of the American Revolution Dress Contest, which will be on Saturday, March 3.

Those attending the meeting were: Charlene Powell, Rosa Reid, Bonnie Williams, Dorothy and Margaret Irvin, Alleen Hemphill, the local leader; Mrs. Ted Irvin, and the county agent, Mrs. David Pierce.

Cecil is in the first year of F. F. A. and he has been a good member. His projects have been beans, which he made \$35 (70c), and peas that he hasn't harvested yet.

He has worked for the chapter and has been a very good worker.

Induction Heating
Tested At U. Of F.

GAINEVILLE, Feb. 24—Research which may ultimately save the nation's taxpayers millions of dollars and many

months of time in the crucial race for new air-borne weapons is underway at the University of Florida.

A method by which the earth satellite's rocket stages may be tested for the effects of aerodynamic heating before launching has been developed under the leadership of Roger W. Sampson, associate professor of electrical engineering, assisted by 20 engineers and technicians.

Called "Induction Heating," the method was developed for the Air Force for making preliminary tests on supersonic aircraft and guided missiles. Purpose of induction heating method is to stimulate aerodynamic heating of very high speed aircraft structures.

Record Attendance At LDS Conference in Ft. Lauderdale

The Church of Jesus Christ of Latter Day Saints held their Quarterly Conference in the new Ft. Lauderdale Chapel, located on U. S. No. 1 and S.W. 16th St., Sunday, Feb. 19, with over 300 in attendance at the morning session, the largest gathering of the Saints in the South Florida District yet.

Around 200 attended the evening session, in which the star guest of the day, Homer D. Yarn, First Counselor to the Mission Presidency, gave the "Ten reasons why Joseph Smith was divinely chosen of the Lord to restore the Gospel in the Latter days." The President, Berkeley L. Bunker, spoke on "What My Greatest Ambition in Life Is" during the morning session and in the afternoon, "The Second Coming of Christ."

Other speakers during the two sessions were Robert G. Sorenson, President of the South Florida District, who spoke up on, "What Shall I Do With Jesus?"; Hugh Vance, Second Counselor to the Mission Presidency, a native of Canada, "The Importance of Seeing That Your Children Attend the Primary Association," the Young People's Department.

Elder Wilford Satters is President of the Miami First Branch Area, who has spearheaded the drive for the new \$200,000 Chapel, now near completion, and was unable to attend. Elder George Vining, First Counselor, told the Saints present that they would hold their next Quarterly Conference in the new Chapel located on 93rd St. in Miami on the next conference which will be in June. Other speakers during the day were Marilyn Martin, Brother Brook, 12-year-old Deacon; Sister Lucille Emler, President of Mission Relief Society; Elder Sam Chen, who is president of the Eight Elders Quorum; Marie Kelvington, Millie Chestman, Warren C. Seay, Sr., and Warren C. Seay, Jr.

Music for the day was furnished by the District Choir, led by Sister Edron Seay and pianist Sister Ruby Cameron. A special trio offered by Sisters Seay, Millie Chestman and Marilyn Martin entitled "One April Evening" and a male quartet sang, "I Saw An Angel Flying."

Lunch was furnished by the Relief Society Members of the Ft. Lauderdale Chapel, with a collection of voluntary donations. The meal consisted of baked ham, cole slaw, baked beans, bread, cakes and cup cakes with grape side for beverage. A nice donation was gathered.

At 12:50 the Branch Presidents of All the Branches met in the Auditorium and the Relief Society Ladies met with Sister Bunker in the Recreation Hall. Sister Bunker offered a number of her favorite recipes along with other helpful hints on how to raise your Relief Society Funds, two suggestions of which were most interesting, include a very small apron with a little pocket to hold the change which amount would be how a lady's waist might be, which would make us weight conscious; also a head rest, an oblong shaped pillow that can be stuffed either with Kapok, nylon foam rubber, etc. Sister Bunker is very efficient when it comes to home making. The women present were grateful for the suggestions.

Among the ones present from the Glades area were: Mr. and Mrs. Julius Herring, Mrs. Hatye White, Mrs. Suddie Wilkins, Jack Wilkins, W. C. Byrd, Mrs. Penny Williams and Bonnie, Peggy and Clay Dean Williams, all of Clewiston; Mrs. Evelyn Atkinson and children, Linda, Rosmonda, Caroline, Miss Robb; Lou Vaughn, Mrs. Lizzie Roberts, Elsie Roberts, Belle Glade; Melvin Herring, Mrs. Lucille Walker, South Bay, and Lammie Woods of Ft. Lauderdale who attends the Belle Glade Branch.

Fritz Stein of Belle Glade, recently bought four registered Aberdeen-Angus bulls from Arthur A. Houghton, Jr., of Queenstown, Maryland.

NEGRO NEWS

LOCAL DELEGATES ATTENDING FCCP STATE-WIDE MEET

The state-wide meeting of Florida Congress of Colored Parents and Teachers convened in Tallahassee yesterday, Feb. 23, and will run through Feb. 25, with Leon County PTA Council acting as hosts. Attending from Belle Glade are Mrs. L. E. Taylor, PTA president; Elder S. Edwards and Miss Janita Porter, delegates from Lakeshore School; Fannie Potter, delegate; Daisy Murrell, State chairman of Arts and Crafts and Publicity, and Miss Pauline Stokes, PTA president, from Pahokee.

Thirty schools will take part in the Arts and Crafts exhibit. Three trophies will be awarded, the Maude Diaz trophy for the best Fine Arts exhibit; the Mayfield Braxton trophy for the best PTA exhibit; the Arthur Mays trophy for the best school exhibit.

Entries were being made by the local Lake Shore schools and their Parent-Teacher Association.

Relatives Of Drowned Woman Not Found Yet

Funeral arrangements have not been made for Mattie Davis, 59-year-old negro here, who drowned Feb. 15 in the Hillsborough canal.

A spokesman at the Taylor Funeral home here said arrangements could not be made since relatives could not be located. None live here, the spokesman said.

It is known that the woman lived alone in an apartment house on SW 5th St. A letter is being sent to an acquaintance of the Davis woman in Manatee, Fla., in an effort to locate relatives of the deceased.

Aspiration
What we truly and earnestly aspire to be, that in some sense we are. The more that in some sense we are. The mere mind, for the moment realizes itself.—(Anna Jameson.)

Mrs. Iris Warren and son, Jimmie, went to Miami Sunday afternoon on business. They came back through Boca Raton in order to stop at the cemetery there where some of their relatives are buried.

Mrs. Thomsine Knock and son, Darrel, went to West Palm Beach Sunday to play on the beach and visit friends and relatives.

The Rev. Harold Harlee is assisting the Rev. John Bray of the Orchard Villa Baptist Church at Miami in holding a week's revival there this week. We wish them much success.

Mr. and Mrs. Gene Henderson of Belle Glade spent the weekend with the Elsie Smith family.

Mr. and Mrs. J. A. Henderson

met their daughter and husband, Mr. and Mrs. Harold Broderick, of Bartow, in Clewiston Sunday where they attended a birthday dinner for Mr. Broderick's mother.

Mrs. Vernon Henderson and children went to see Mr. and Mrs. Rupert Wingate and children in Clewiston Saturday. They also visited the E. L. Rutland family, former residents.

Mr. and Mrs. L. J. McReynolds of Ft. Lauderdale spent the weekend with their parents, Mr. and Mrs. J. A. Henderson.

Mr. and Mrs. Hilmer Nelson of Chicago visited the Rev. Harold Harlee and family last week. The Harlees took them to West Palm Beach and Miami so that they could see parts of our beautiful state. We are sure they did not have to call their attention to the difference in their temperature from east.

Mr. and Mrs. R. O. Plank and Mrs. Mildred Larrick accompanied Mr. and Mrs. Sam Henderson and Mr. and Mrs. W. C. Al-

len of South Bay to Okeechobee Saturday night to sell tickets on the boat that the American Legion Post No. 161 will give away Wednesday night, Feb. 25. Just think, someone is going to get a \$1,600.00 boat with all the do-dads for \$1.00—what a bargain.

Dr. N. Q. Geer of Belle Glade supplied the pulpit at the First Baptist Church for both services on Sunday, as Brother Harlee was out of town.

Mr. and Mrs. Lloyd McKinley and Mr. and Mrs. Thurman McKinley of South Shore Village went fishing Saturday night from the pier at Pahokee.

Mr. and Mrs. Thornton Saxon of Ft. Lauderdale spent the weekend with his parents, Mr. and Mrs. R. L. Saxon, and sister, Mrs. C. A. Thomas, and families.

Mr. and Mrs. J. B. McKinley and son, Steve, of Belle Glade had dinner with Mr. and Mrs. Lloyd McKinley Sunday.

Dr. and Mrs. Glenn Morton and daughters of West Palm Beach were dinner guests of Mrs. Morton's parents, the Rev. and Mrs. N. DiStefano, Sunday.

Mrs. Mary Riley of Belle Glade, Mrs. Effie Allen of South Bay, and Mrs. Mildred Larrick made their regular monthly visit to the Veterans Administration Hospital last Wednesday. They were accompanied by Miss L. J. Alden, who visited her sister, Mrs. Lillian Knowles, and Mrs. Winnie Plank, who visited relatives and friends in Ft. Lauderdale, and her son, Earl, in the Variety Children's Hospital.

Lately, there have been quite a few grovelers visiting where they had no business to, but believe you me they had better give this place a wide berth. We are sure the residents are now prepared for them—they have their guns handy, and are sleeping with one eye opened. So, if you don't want a bang-up welcome, don't be where you shouldn't.

Mr. and Mrs. Roy Layfield

went to Kissimmee Thursday to the cattle show. They were accompanied by their daughter, Mrs. Betty Herring, and grandson, Jimmie, who will visit them for awhile.

Mr. and Mrs. W. M. Haulcomb and Mrs. Alex Shorty visited the Leonard Tate family in Pahokee Sunday.

Hamp Coleman had Sunday dinner with the Ralph Kirks in Belle Glade.

Ralph Stallion has accepted a job as night watchman with the Belcher Oil Company.

Mr. and Mrs. Bell Mathis and daughter, Audrey, his mother, Mrs. A. B. Mathis, Sr. and Mrs. Mathis, Jr., mother, Mrs. J. W. Enfinger, went to Ft. Lauderdale and Miami Sunday to sightsee.

Mr. and Mrs. Robert Brown went to Miami Saturday for the weekend. They stayed at the hotel in three blocks they witnessed four accidents, and that they were more than glad to get out of the traffic jams and back into the wide open spaces. Amen.

Dr. and Mrs. Nicola DiStefano went to Miami Thursday on business. While there they called on Earl Plank at the Variety Children's Hospital. Earl is not feeling too well since the last skin grafting.

Mr. and Mrs. Nick Reynolds took their children sightseeing in West Palm Beach Sunday. They said it was too beautiful a day to stay home.

Mr. and Mrs. Fred Patterson of Miami called on his sister, Mrs. Doris Crouch, and family Sunday.

Mrs. Clyde Conley and Mrs. J. E. Crouch went to West Palm Beach Wednesday to take Josephine Crouch to see Dr. Sayward. Josephine had the unfortunate experience of getting her nose broken while playing recently.

Mrs. J. D. Stacy and six children of Bryant went to visit her parents, Mr. and Mrs. K. E. Eldon, Thursday afternoon.

Mr. and Mrs. Earl York and son of Belle Glade visited the Max Sparks family Sunday.

Mrs. Max Sparks and daughter, Carol, visited Mrs. L. J. Sparks in Belle Glade Monday.

Mr. and Mrs. E. M. Mora have returned to St. Petersburg after a ten days fishing trip, which was very successful. In fact, they had to rush home to put the fish in their deep freeze.

Recent visitors of Mrs. Charlotte Ball of the fruit and novelty store at Bare Beach, were Mr. and Mrs. Joe Bryan of Georgia, Florida; W. G. Lewis of the Lewis Bus Lines, Knoxville, Tenn., and Mr. and Mrs. George Boggians of Adrian, Mich. Mrs. Ball said that they all fell in love with Florida and said they would return just as soon as they possibly could for another visit.

Mr. and Mrs. James B. Hendry called on the Rev. L. M. Collins and family of Terra Ceia Sunday.

Sunday guests at the Jimmie Wall home were Mrs. Mollie Stacy, who is Mrs. Wall's mother, and her three sisters, Mrs. Harvey Matthews, Mrs. Ed Rice, and Mrs. Julia Driggers and daughter, Debbie, all of Belle Glade, and Mrs. Major Lee and daughter, Nancy, of Clewiston.

Mrs. A. W. Waldron, Jr., accompanied her mother, Mrs. M. B. Lee of Moore Haven Tuesday to Ft. Myers to welcome Mrs. Lee's new granddaughter who arrived recently at the home of Mr. and Mrs. W. C. Rainey.

Mr. and Mrs. E. D. McKinley of Everglades and daughter, Mrs. Ivan Hall of Clewiston, were Sunday visitors at the J. C. Cowan home.

Mrs. Thomsine Knock has returned from West Palm Beach and is now working for the Buckles Restaurant in Belle Glade.

The Lake Harbor Home Demonstration Club held its February meeting in the Community Methodist Church Thursday. Mrs. John D. Hemphill, president, gave an interesting report on the County Council meeting held in West Palm Beach recently.

The following chairs for the year were appointed by the

president: Membership, Mrs. Nick DiStefano; Gardening, Mrs. C. A. Thomas; Handicraft, Mrs. Jim Spire; Food Conservation, Mrs. Frank Robertson; Food and Nutrition, Mrs. R. M. Brown; Health and Safety, Mrs. John D. Hemphill; Home Improvement, Mrs. Elbert Hester; Clothing, Mrs. H. R. Layfield, and Exhibit and Recreation, Mrs. H. D. Merriam.

At the close of the meeting, Mrs. Elbert Hester was hostess for the social hour.

Founders Day Is Observed By PTA

The PTA held its regular monthly meeting at the school house last Tuesday night, with the president, Mrs. C. A. Thomas, in the chair. The devotional was read by Mrs. John D. Hemphill. Mrs. Mildred Larrick read the message from the State President, Mrs. Floyd W. Mast.

During the business meeting Mrs. Williams, the principal, said the financial conditions of the cafeteria were much improved and he did not need outside help at this time. This information gladdened our hearts, very much.

It was voted to send money to the scholarship fund for future teachers. A Founder's Day offering was taken.

At the end of the meeting a Founder's Day skit was presented by Mrs. Winnie Plank, Mrs. Fred Cato, and Mrs. Elbert Hester as parents; and Mr. and Mrs. John D. Hemphill, and Mrs. Mildred Larrick as teachers.

Mrs. C. A. Thomas was the narrator. The skit was a humorous success, and we do mean howling. Others present were Mrs. Alma Mackey, Mrs. Lloyd McKinley, Mrs. Marvin Lee, Mrs. Jerry O'H, Mr. and Mrs. Frank Merriam, Mrs. H. D. Merriam, Mrs. Nick Reynolds, Mrs. Wm. McNeil, and Mrs. Carl Anderson. Delicious cake and drinks were served by Mrs. Reynolds and Mrs. Crouch.

Junior Red Cross Sub-District Meet

The Junior Red Cross Sub-

District meeting was held at the school house Thursday afternoon at 2 o'clock with the president, Wanda Lee, presiding. Mrs. Fringle, head of the Junior Red Cross, was the distinguished guest. They received some books from different countries and showed the children articles made in different countries, such as beads, rugs, etc.

Okecola Camp and South Bay were the only schools in this District with representatives attending. Some of the local school children and songs, which were well received. Mrs. John D. Hemphill served cookies and cold drinks to about 42 children and grown-ups.

New Telephone Numbers with Office Names become effective then...

All Belle Glade, Chosen, and South Bay numbers change at 2 a.m. on Sunday, March 4. The new directory that will be delivered within the next few days contains the new numbers. Please do not use the new directory until after 2 a.m. of March 4.

HERE'S HOW THE CHANGE WILL WORK

All telephone numbers will consist of the office number and five numerals. A few numbers will be completely changed but most will retain their present four numerals, to which will be prefixed the office number "WY-man" and the figure "6". A typical number might be WYman 6-2399, which would be called by dialing the first two letters of the office name and then the five numerals, that is, WY-6-2-3-9-9. The new numbering, known as the "5-5 Numbering Plan," is part of a nation-wide numbering system which paves the way for further improvements in telephone service.

The new numbering plan will be extended to other exchanges as equipment necessary for the change is obtainable.

BOYS AND GIRLS IN THE SERVICE

Pvt. Lennie J. Hight who has been visiting his parents, Mr. and Mrs. T. E. Hight of Belle Glade on a 14-day leave, reported to his new base today for Airborne training at Ft. Campbell, Ky.

Hight attended Belle Glade High School and joined the Army for three years on Nov. 22, 1933. He received his basic 10 weeks training at Fort Jackson, S. C., and was home during the Christmas holidays for his first leave.

Sgt. Alvin Garrett, son of Mr.

and Mrs. Clyde Garrett of N.W. 8th St., Belle Glade, returned home this week after completing three years of service in the US Army. He received his discharge at Fort Bragg, N. C., on Feb. 15.

Sgt. Garrett entered service in February, 1933, and received his basic training at Camp Breckinridge, Ky. He was a graduate of Belle Glade High School class of '32. He was transferred to Camp Gordon where he attended the 10th training school and in December, 1933, was sent overseas serving with the 3d Infantry Division in Korea for 16 months. He returned to the States in May, 1935. Sgt. Garrett says he is very happy to be back home again.

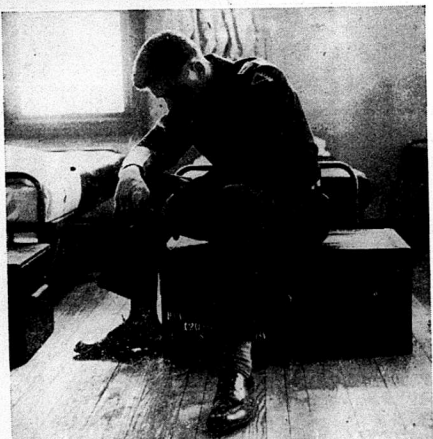

FORT BENNING, Ga.—Army 2d Lt. Joe G. Leavitt, Jr., whose wife, Anna, lives at 500 E. Palm Beach Rd., Belle Glade, Fla., recently was graduated from The Infantry School's basic infantry officers course at Fort Benning, Ga.

Designed for officers who have not served with troops, the course gave Lieutenant Leavitt instruction in the tasks and problems of an infantry unit commander.

Leavitt, son of Mr. and Mrs. M. F. Coleman, 617 N.W. Ave., graduated Feb. 17 from the Infantry School at Fort Benning, Ga., and has been transferred to the 1st division. He was a graduate of the Infantry school in December.

Serve yourself and your country best right here at home. Be a citizen-soldier. Join the NATIONAL GUARD. It's a great outfit!

Every soldier has a private war to fight

Loneliness and boredom are the enemies that are always with a serviceman when he is far from home. And you, through your Red Cross, can be the soldier's ally against these foes. For when you join, you help combat that loneliness with a corps of Red Cross people around the globe. You—in the person of the Red Cross—are there when family emergencies arise that

need quick and wise solutions.

So join and join generously so your Red Cross can be on hand when it's needed—where it's needed. Through you, the Red Cross will continue on the job when disaster strikes, wherever blood or first aid may save a life. Your fellow Americans count on you and your Red Cross. Make sure they are not alone.

9th DIV., GERMANY.—Pvt. John A. Rogers, son of Mr. and Mrs. John D. Rogers, Pahokee, Fla., recently arrived in Germany and is now a member of the 9th Infantry Division.

As part of the U. S. Seventh Army, the 9th Division conducts rigorous training exercises, including realistic maneuvers and field problems, in southern Germany.

Rogers is assigned as a clerk

typist in the division. He entered the Army in August, 1935 and completed basic training at Fort Jackson, S. C.

He attended the University of Florida.

FRANKFURT, Germany—Army Pfc Edward L. Swindle, son of John C. Swindle, Route 1, Clewiston, Fla., recently took part in a field training exercise held by the 4th Infantry Division in Germany.

Training received by the "Jev" division, part of the U. S. Seventh Army, includes intensive maneuvers and realistic field problems.

A supply clerk in Headquarters Company of the division's 8th Regiment, Swindle entered the Army in August, 1934, and arrived overseas the following February.

He was graduated from Clewiston High School in June, 1934.

FORT KNOX, Ky.—Pvt. Robert L. Kirkland, son of Mrs. Eva Gains, Clewiston, Fla., recently completed ten weeks of advanced individual training under the packet platoon system at the Armored Replacement Training Center, Fort Knox, Ky. Private Kirkland was trained to drive the Army's medium tank. He passed the 30 and 50 caliber machine gun proficiency tests and qualified as a gunner in the firing of the 80 mm. tank gun.

Under the packet platoon system of training, each trainee becomes a permanent member of a tank crew.

Kirkland entered the Army in August, 1935 and completed basic training at Fort Jackson, S. C.

Lieut. Ross Wines, son of Mr. and Mrs. Ross Wines, Jr., of Chosen, graduated Feb. 17 from Rangers School at Fort Benning, Ga., and has been transferred to the 1st division. He was a graduate of the Infantry school in December.

Rainbow Initiates Linda Gail Mobley

Miss Linda Gail Mobley was initiated into the Order of the Rainbow Girls at a formal Rainbow initiation, Monday night, Feb. 20. Miss Jean Johns was installed as Choir Director, and Miss Lola Ann Binkley, as Nature.

A short business meeting was held before the initiation, with Miss Wanda Brent, newly installed Worthy Advisor, and Mrs. Mary Schlechter, newly installed Mother Advisor, presiding over the group.

On The . . . STREET CORNER

Much fuss has been brought up over lots adjacent to our highways being run down and unattractive. Seems it hurts the town's impression on tourists. Mrs. Gladys MacDonald, park supervisor, said she'd had good comment on the park, however, areas like the lots near the high school on W. Lake Rd. were unsightly.

That's life! We feel for the 4-H boys who bought steers for exhibition at the fair then found that the fair wouldn't happen. More 'bout that! Friday the folks decided not to have the fair. No sooner had the news reached the steers than one Legionnaire quipped: "Well, at least we had a fair!" Who wants the charter now?

Basketball seems to be getting a lot of attention now; however, Coach Godwin who pilots the 8th grade and frosh squad said there is no need to publicize the results of their encounters "cause the boys aren't doing so good."

The last straw: Pretty soon we'll be seeing scads of pictures of the Harvest Queen beauties around town. Barney Smith of the FCC said he'll guarantee the measurements taken for their application blanks are correct. He made them. Hmmm.

COUNTY COMMISSION

(Continued from Page One)

Board. The action will allow construction of a 5½ mile stretch of road south from Lake Harbor directly into the muck (marshlands), providing an important farm to market road. The new county road will be a part of a project now being carried out by the FCD for improving the Miami Canal.

The county commission this week also took steps to launch another Glades road project when the board approved appraisals for right of way construction of Muck City Road. The board learned that appraisers had set a price of \$32,000 for all but 1,000 feet of right of way on the western terminus of Muck City Road where it joins State Market Road. The county's right of way department was authorized to immediately begin negotiations to procure the appraised right of way and to continue efforts to obtain the last 1,000 feet to complete the road to the board's satisfaction.

In another action, Chairman Hardin won the board's approval to request the state road board to rebuild Brown's Farm Road—a 7½ mile stretch of highway that serves as an important farm to market link in the Glades highway system. Hardin presented an economic

survey to the board which showed the importance of Brown's Farm Road. He said last year that upwards of \$3½ million in vegetables had been hauled over the road, \$50,000 worth of ramie left the Glades by that route; \$91,000 worth of raw milk is transported out of the area annually over the same road and that the highway provides the main access route for ranchers who have herds that total more than 7,700 head of cattle.

The commission agreed with Hardin on the importance of the road and voted to ask the state road department to begin immediate planning for resurfacing the highway and to have the project in the state road budget for the year starting in July.

Polio Vaccination Dates Set For Glades

Polio vaccine will be given in the county schools this year, according to an announcement this week by the Palm Beach County Health Department.

The department's supply is limited and must, therefore, be used only for children who cannot be immunized by a private physician.

The department feels that every child should be protected, and they urge all parents to have this done by their family doctor.

If it is impossible for parents to have this immunization done by their physicians, it can be given at one of the Health Department clinics. These clinics are as follows:

Belle Glade: White, Osceola Camp, Monday, 8:30 to 10:30 a.m. Negro, Osceola Camp, Tuesday, 8:30 to 10:30 a.m. Pahokee: White, Pahokee Labor Camp, Thursday, 8:30 to 10:30 a.m. Negro, Caldwell Bldg., Wednesday, 1:30 to 3:30 p.m., and Everglades project, Wednesday, 8:30 to 10:30 a.m.

Films On Lighting Shown At HD Meeting

Members of the Home Demonstration Club were shown films on "Outside and Inside Lighting," by Mrs. Jane Prigmore, of Florida Power and Light Co., at the regular meeting last Thursday afternoon at the Woman's Club Bldg.

Mrs. A. W. Ellis and Mrs. Richard Murray gave a report on the recent upholstery workshop which they attended at the county meeting in West Palm Beach. A report was also given by Mrs. Clara Gledhill on a county district met in West Palm Beach. The topic given was, "Getting Along With Others."

Ten members and one visitor were present. Refreshments were served by Mrs. Ellis and Mrs. Murray.
